Vote: Passed

3. COMMITTEE REPORTS
   ➔ ASL Can-Do Statements: No report to share.
   ➔ ASLTA Awards Criteria: Lorraine Flores.
      ◆ Developed the Awards Rubric for each category,
      ◆ Will make new videos soon (will release the video around the last week of April) 5 videos done by 5 signers.
      ◆ Received Ohio ASLTA logo.
      ◆ Will contact DeafRoots to make the awards for this coming summer (same artist who produced awards for the 2019 conference).
   ➔ ASLTA Logo: David Martin received three draft designs and shared with the Board. Committee is meeting this week for revisions. Comment from Hunta Williams that black logos / text can be better for DeafBlind individuals, or a muted blue / darker shades are preferred to brighter colors.
   ➔ Nomination: James Wilson. Have been meeting regularly. Nominations will be open March 29 on the website and close on June 29, following the 90 day window required by bylaws. Nomination form will be digital via the website. President, Secretary, and Professional Development positions will be open for nomination. Brenda Falgier is the chair of the committee and will be the point of contact for the nominations process. Next week, Rey Vega will release a video draft and once approved, David Martin will release the video in an eblast to members on March 29. Jason Zinza will post the digital nominations form online prior to that date.
   ➔ Bylaws: James Wilson. Bylaws met on February 10 and decided to hold off and collect more information for further bylaws amendments. Meeting this coming Wednesday to discuss issues related to ASLTA chapters based on information received from the CPA. Some of the proposed amendments may be moot given this new information so we will need to look at it with that lens. Phase 7 amendments will be released in May related to the budget and chapters.
   ➔ Chapter Handbook & Guidelines: No report to share.
   ➔ Evaluation Advisory: No report.
   ➔ IPPG: Created a task list to track the unfinished business / uncompleted tasks and who is completing each, along with proposed completion dates. Will work on prioritizing the tasks.
   ➔ Membership: Video appeal sent to members. Zero response to serve on the membership committee.
→ **Strategic Planning:** Damon Johnson. Working on the mission and how to sign the mission in ASL equivalent to English, so been working on that. Also working on a vision statement survey that we will be sending out on Facebook to help guide ASLTA's vision. Work in progress.

→ **Regional Representatives:** Damon Johnson. NE (Brenda Schick): Working with colleges in the area to promote collaboration on projects. Possibility of setting up an New England chapter. Announcement: Greater Rochester ASLTA will host an event “Understanding Intersectionality and Influences on the Signing Community” Dr. Alesia Alan, on April 7 in the evening. Recruiting Aisha Knight-Shaw co-Creator for the De’Via art exhibit at the upcoming conference and Dyer Arts center (virtual art gallery). Still need to contact NJASLTA to update email addresses to facilitate communication. SE (name): Vyron Kinson planned meeting. Discussing Angela McAdams ASL chapter in Tennessee. Midwest (Damon Johnson). Kansas is interested in establishing a chapter. Canada is also interested in a chapter - following up. Working with Brenda to start up research - regarding K12 licensure requirements. Be great to post on the ASLTA website. Bluegrass ASLTA contacted Bryan Bowen regarding chapter does - got hold of him but no action yet from Bluegrass. Also working on gathering bylaws. Minnesota ASLTA bylaws need a vote to be approved before we can get 501c3 status - that’s on hold until the bylaws are voted on. West (Heather Azari). SDASLTA had a meet and greet, and also attended the WA-ASLTA workshop with Buck Rodgers. Utah ASLTA discussions to restart its chapter status. There are issues with payment - Jason Zinza to look into this.

→ **DEI:** Hunta Williams. Looking forward to touching on lots of issues and expecting many changes in the future (not overnight). Have received 5 expressions of interest from people to serve on the DEI committee. Interested in 5 more, will be making another outreach effort. Some concerns from prospective members about affordability of membership. BIPOC concerns with fees is an issue. Been discussing with Janice and Lorraine, since committee participants must be ASLTA members. What is the resolution to this? Sponsorship or fees paid by ASLTA? Question is who will be the point of contact to handle this issue? It’s an urgent issue - really need it done by next Friday at the latest.

3. **President’s Report**
   a. (Remarks from Janice via James). Welcoming Hunta to his first ASLTA Board meeting as DEI committee chair.

4. **Vice President’s Report**
   a. Nominations: Brenda Falgier is the nomination committee chair. A new folder for 2021 NPDC has been created. Most documents from 2019 had been modified, especially for President, Secretary and Professional Development Director. Based on ASLTA Bylaws, the 90-day limit will begin on March 29th and will end on June 29th. Nomination form will be made available on ASLTA website on the 29th, too. Rey Vega will do the announcement video within a week prior to the 29th and will send
out via e-blast on the 29th, too. Videos of officer descriptions prepared by President Smith, Secretary Jennings-Arey and Professional Development Director will be included in the e-blast.

b. Bylaws: the previous meeting was rescheduled to this coming Wednesday to better prepare for an active meeting agenda. Per February 16th meeting, Amendment #37 for Chapter Affiliation will have to hold due to recent information that President Smith, Treasurer Zinza and myself learned from our CPA and Mark Apodaca. I have made Chapter Affiliation Director Clements aware and agreed that training will be developed for existing chapters and newly formed chapters.

c. ASLPI: After email correspondence with Loretta Roult, ASLPI Services Director at Gallaudet University, we met via Zoom. She wanted to communicate with the ASLTA at large as well as members to inform them of the situation that the ASLPI Office is currently dealing with. She may communicate with Communications Director Martin about the possibility of posting her vlog into the ASLTA website and e-blast. New applicants for ASLPI evaluations are on hold for the time being, and then will re-open for appointments at a later date. Will impact ASLTA evaluation. ASLTA should also release a follow up or statement regarding the ASLPI.

5. Secretary’s Report
   a. No report

6. Treasurer’s Report
   a. ASLTA is currently -$10,690.54 in the red. Strong membership growth for ASLHS and conference registration has cut the deficit by 50%.
   b. Having Stripe account technical issues that are beyond my ability to address, so am actively seeking professional assistance (routing payments to multiple accounts). This has affected completion of:
      i. ASLHS store
      ii. Adding donation subscription options to membership renewal
      iii. Automated payment plan options
   c. Proposal: To promote transparency and member input, I propose ASLTA invite members to review and comment on the annual draft budget before enactment by the Board of Directors. Proposed schedule:
      1. Treasurer & (proposed) Finance Committee develop a draft budget in August of each year.
      2. September 1, release draft budget to members and solicit comments. Comment window closes after 2 weeks.
      3. Treasurer and (proposed) Finance Committee review draft budget as needed.
      4. Draft budget is brought to the Board no later than October 1 for review and enactment, as required by the bylaws.

James: Please hold on this. Will discuss this in more depth during IPPG.
d. Membership update.
   i. Pleased to announce that ASLTA has now surpassed the membership goals set for 2020-2021. At 766 members, we are still down significantly from peak membership in 2019.

7. **Professional Development Director Flores**
   - Certification Preparation Courses Online Program. Survey was sent out regarding the pilot program for ASLTA certification prep courses. Wanted to get a pulse on reactions. Sent to 400 people (people who signed up for the webinar). 65 responses thus far. Overwhelmingly positive YES responses, 60% and higher yes in each
question - except for for credit (approx 50% yes). Thinking about a 4 month time
frame and completion of each 8 week course by September 1.

Comment from Damon Johnson. The survey looked almost spam-like so that might
be a concern from some people.

2021 Virtual Conference Report by Lori Woods and Arlon Nash (presented by Arlon).
1. Conference Website - complete. Committee duty explanations are expanded,
support and donation info is set. Will be adding video and are committed to being
DeafBlind friendly. Reached out to the DEI committee for guidance which was
appreciated.
2. Conference Schedule in progress. Will be released this month with some changes.
Trying to accommodate all time zones.
3. Registration - 221. Great to see this. Interested in discussing caps or no caps on the
number of attendees.

5. CEU's - 39 people have added the CEU option.
6. Call for Presenters - need more and extended to March 31st. So far, 20 people have

   b. 8 - Curriculum/ Technology
   c. 3 - P-12/ Deaf Studies
   d. 5 - Social Justice

8. Evaluation and Certification Director Rowley
   ● Almost done with revising draft for MOU with Gallaudet. Working with MASLED and
UNC program reps / directors. Have a draft MOA in place developed by the IPPG. A
few issues that the programs want but ASLTA can't provide for a variety of reasons.
Working out the details and will make a more formal announcement.
   ● Met with UNCO TASL Program Director and Dept Chair to discuss MOU.
   ● Many issues with technical support for applicants and evaluators, unsure how to
address? Ideas? Challenges for evaluators, for applicants, and others. Need ideas
on how to provide better tech support. Bogs down the system and the end result is
that applicants have longer wait times than we’d like. Really need how-to stuff - how
to apply, how to get a receipt, how to etc. on the front end of the website for people.
